

Stephen A. Carter, MD: A Leader in Emergency Medicine with Over Three Decades of Experience

Texas Physician Excels in Multiple Medical Specialties and Demonstrates Commitment to Patient Care and Innovation

New York City, New York Mar 24, 2025 ([IssueWire.com](https://www.issuewire.com)) - Stephen A. Carter, MD, a distinguished emergency physician based in Texas, is celebrated for his extensive experience spanning over three decades in various medical disciplines including emergency medicine, family medicine, urgent care, and occupational medicine. Dr. Carter currently serves at US Acute Care Solutions/Baptist Neighborhood Hospitals and holds multiple positions that underscore his commitment to patient care and medical leadership.

Since February 2014, Dr. Carter has dedicated his expertise to two of the nine Baptist Emergency Hospitals, working 12-14 shifts per month to deliver exceptional emergency medical services to the community. His proficiency in emergency care has also led him to expand his practice to Concord Medical Group at Otto Kaiser Memorial Hospital in Kennedy, Texas, where he has been providing care for 1-2 shifts per month since August 2021. Notably, Dr. Carter has been the Medical Director for Access Urgent Care in Schertz, Texas, since April 2021, where he oversees a team of three mid-level providers, ensuring high-quality urgent care services are available to patients.

In addition to his clinical roles, Dr. Carter has been a Class A/B Share Owner and emergency physician at Physicians PremiER since September 2019, dedicating two 24-hour shifts per month to enhance emergency care. His educational foundation includes a 1989 graduation from the University of Illinois College of Medicine in Chicago, followed by an internship at Advocate Illinois Masonic Medical Center and a residency in family medicine at the same institution.

Dr. Carter's leadership capabilities were further solidified in January 2025 when he completed the Strategic Leadership in Healthcare certification from Emory University's Goizueta Business School. This achievement complements his dedication to ongoing professional development and excellence in medical practice.

As a Diplomate of the American Board of Family Medicine, the American Board of Urgent Care Medicine, and the American Board of Obesity Medicine, Dr. Carter is recognized for his expertise. He actively participates in professional organizations including the American Medical Association, the American Academy of Family Physicians, the Texas Medical Association, and the American Academy of Emergency Medicine.

Dr. Carter is also an innovative entrepreneur, holding a patent for a Cerumen Removal Device, issued on November 28, 2000, reflecting his commitment to advancing medical technology.
