

Stephen Warman, MD: Elevating Patient Care in Otolaryngology at Summit Health

Local ENT Specialist Continues Commitment to Innovative Treatments and Compassionate Care

New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Summit Health is proud to announce the

continued dedication of Dr. Stephen Warman, MD, a valued member of its Ear, Nose, and Throat (ENT) team. Specializing in sinus-related issues, Dr. Warman offers patients comprehensive care for conditions such as chronic sinusitis, nasal obstructions, and allergies with chronic rhinitis alongside advanced cosmetic procedures.

With extensive expertise in in-office sinus surgery and innovative techniques like balloon sinuplasty and cryotherapy for chronic postnasal drip, Dr. Warman is committed to providing cutting-edge treatments that enhance patient outcomes. Additionally, his skills in cosmetic surgery—including Botox, injectables, rhinoplasty, and blepharoplasty—allow patients to achieve both functional and aesthetic improvements.

Dr. Warman emphasizes the importance of patient-centered care, dedicating quality time to understand each patient's unique concerns. "Patient care is my number one priority," he states, underscoring his belief in fostering a supportive environment where patients feel heard and informed about their treatment options.

Dr. Warman's robust educational background includes a residency in Otolaryngology at the prestigious Albert Einstein College of Medicine - Montefiore Medical Center in Bronx, NY, as well as an MD from New York University School of Medicine. He holds a B.A. in Biology from Washington University in St. Louis, MO. He is board-certified by the American Academy of Otolaryngology - Head & Neck Surgery and the American Academy of Facial Plastic & Reconstructive Surgery, ensuring that he meets the highest standards of medical excellence.

Outside of his clinical practice, Dr. Warman enjoys a variety of activities that reflect his zest for life, including playing tennis, scuba diving, and biking. He is also an advocate for animal welfare and actively supports initiatives aimed at combating cancer and promoting awareness of eating and body dysmorphic disorders.
