

Sustainable Medical Billing Acquires Pettigrew Medical

Sustainable Medical Billing Acquires Pettigrew Medical, Strengthening Leadership in Revenue Cycle Management

Scottsdale, Arizona Mar 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Sustainable Medical Billing, LLC, a leading provider of revenue cycle management (RCM) solutions, is pleased to announce the acquisition of Georgia Medical Business Services, Inc., DBA Pettigrew Medical. This strategic acquisition marks an exciting milestone in the RCM industry, combining the strengths of two respected organizations dedicated to excellence in medical billing and financial management for healthcare providers.

Pettigrew Medical, with a 35-year legacy of outstanding service, has built a strong reputation for providing high-quality, client-focused RCM solutions. Under the leadership of founder Dr. D.W. "Chip" Pettigrew III, MD, FACEP, and recently under CEO Emily Osetek, Pettigrew Medical has consistently delivered quality coding and billing support to healthcare organizations across the country.

Michael Johnson, CEO and Owner of Sustainable Medical Billing, expressed his enthusiasm for the acquisition and the opportunities it presents:

"Pettigrew Medical has established an outstanding reputation over the years, and we are honored to continue building upon that foundation. We are committed to maintaining the trusted service that clients have come to expect while providing new opportunities for growth and innovation. This acquisition strengthens our ability to deliver even greater value to our clients and employees alike. We are thrilled by the honor of carrying the legacy of Dr. Pettigrew's company forward."

The transition will be seamless, with no disruption to client services or operations. The dedicated Pettigrew Medical team will remain in place, ensuring continuity in service quality and client relationships. Additionally, the acquisition provides expanded opportunities for employees, who will now be part of a larger, growth-oriented organization with enhanced resources and support.

Emily Osetek, CEO of Pettigrew Medical, shared her excitement about joining Sustainable Medical Billing:

"This partnership aligns perfectly with our commitment to excellence and client success. Sustainable Medical Billing shares our values and vision, and together, we will continue delivering the exceptional service our clients rely on. This transition strengthens our ability to support our clients with even greater resources and innovation."

With this acquisition, Sustainable Medical Billing reinforces its position as a trusted partner in revenue cycle management, expanding its capabilities and reach while maintaining the high standards of service that both organizations are known for.
