

T. Cullen Harper II, DMD, MBA: A Rising Star in Oral and Maxillofacial Surgery

A Distinguished Oral and Maxillofacial Surgeon with a Unique Blend of Medical and Business Expertise

New York City, New York Mar 15, 2025 ([Issuewire.com](https://www.Issuewire.com)) - The Knoxville Oral and Maxillofacial Surgery practice is proud to announce the addition of Dr. Harper II to its team of esteemed oral and maxillofacial surgeons. Dr. Harper brings a wealth of knowledge and experience in oral and maxillofacial surgery, having completed his residency at the University of Tennessee Medical Center, where he developed expertise in various surgical procedures.

Academically, the doctor earned his Doctor of Dental Medicine degree from the Medical University of South Carolina (2015-2019) and subsequently completed his internship in oral and maxillofacial surgery at Augusta University. His dedication to the field led him to undertake a rigorous residency program, which he completed in 2024. Alongside his dental education, he holds a Master of Business Administration from Clemson University, enhancing his ability to manage and lead in a clinical environment.

Moreover, he is not only recognized for his surgical skills but also for his leadership and teamwork, which were evident during his time as a two-year starting quarterback for the Clemson Tigers football team. His athletic achievements, including being named a 2nd Team All-ACC QB and receiving the Banks McFadden Award, reflect his commitment and discipline—qualities he brings to his medical practice.

In his role at Knoxville Oral and Maxillofacial Surgery, Dr. Harper focuses on serving the community by providing high-quality surgical care. He is also contributing his expertise as a faculty member at both the University of Tennessee Medical Center and East Tennessee Children's Hospital, where he mentors the next generation of surgeons.

Dr. Harper is a Fellow of the American College of Surgeons (FACS) and is currently engaged in a fellowship specializing in Head & Neck Surgical Oncology & Microvascular Surgery at the University of Tennessee Medical Center. His professional memberships and continued education underscore his commitment to remaining at the forefront of advancements in oral and maxillofacial surgery.
