

Tarnisha Fitzgerald: A Leader in Primary Care and Clinical Operations

Transforming Patient Care and Mentoring Future Healthcare Professionals

New York City, New York Mar 31, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Fitzgerald Primary Care LLC is proud to

announce that its owner, Tarnisha Fitzgerald, has been recognized for her exceptional contributions to the field of primary care and clinical operations. With over 25 years of experience in nursing and healthcare management, Tarnisha is making significant strides in providing quality healthcare services while mentoring the next generation of healthcare professionals.

Tarnisha Fitzgerald began her career after graduating from Mergenthaler Vocational Technical High School as a Licensed Practical Nurse in 1996. She has since earned degrees from prestigious institutions, including an Associate of Science in Nursing Science from Global Health Nurse Training Services, a Bachelor of Science in Nursing Science from the University of Notre Dame of Maryland, a Master's of Science in Nursing degree in Family Nurse Practitioner from Simmons University, and a Master of Science degree in Primary Mental Health Nurse Practitioner from Walden University.

At Fitzgerald Primary Care LLC, Tarnisha has dedicated herself to delivering exceptional primary care to her patients. She is known for her comprehensive approach, which includes diagnosing, treating, and providing referrals for patients with acute and chronic conditions. Her commitment to patient education and advocacy shines through as she builds trust with her patients, ensuring they are informed about their treatment plans and health issues. With a focus on both pharmacological and non-pharmacological treatments, Tarnisha collaborates with multidisciplinary teams to enhance patient care and outcomes, continuously monitoring progress and adjusting treatment plans as necessary.

In her previous role as Divisional Director of Clinical Operations at CommuniCare Family Of Companies, Tarnisha oversaw the clinical operations of 24 long-term care facilities across three states. Her leadership has been pivotal in improving quality indicators and reducing rehospitalizations, falls, weight loss, and pressure ulcer rates. By ensuring compliance with the Federal Survey process, Tarnisha has optimized federal survey and clinical outcomes for the facilities and residents served in these facilities, contributing to the financial health of the organization. Moreover, she has developed and conducted educational sessions that foster professional development, leading to improved patient outcomes and staff performance.

Tarnisha attributes her success to the support of her family and her faith. "I owe my achievements to God, my wonderful husband, my mother, and my three children, who inspire me every day to strive for excellence in everything I do," she stated. Her dedication to both her profession and her family exemplifies her commitment to creating a positive impact in the community.

As Tarnisha continues to lead Fitzgerald Primary Care LLC, her vision for improving healthcare delivery and mentoring future healthcare professionals remains unwavering. Her journey serves as an inspiration for many, proving that with hard work, dedication, and a strong support system, one can achieve great success in the healthcare field.
