

Thai Medicure Becomes an Authorized Bangladeshi Agent for Thailand's Samitivej Hospitals

Thai Medicure, a top medical tourism company in Bangladesh, offers doctor appointments, hospital admissions, Thai visa processing, and air ambulance services.

Bangkok, Thailand Mar 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Thai Medicure, a top medical tourism company in Bangladesh, has partnered with Samitivej Hospitals as a medical referral partner to assist Bangladeshi patients seeking high-quality treatment in Thailand. This partnership marks a significant development for Thai Medicure, further increasing its ability to provide reliable healthcare services for individuals throughout Bangladesh.

Thailand is renowned for its top-tier medical services, affordability, and accessibility for international patients. The country's advanced healthcare facilities and extensive treatment options make it an attractive destination for those in need of world-class care. With the growing demand for medical tourism services, this partnership will help facilitate the process for patients to access the medical care they require while recovering in Thailand's peaceful surroundings.

[Samitivej Hospital](#), established in 1979, is one of the most prestigious hospitals in Bangkok, known for

attracting leading specialists across various medical fields. The hospital employs over 2,000 board-certified doctors who specialize in a wide range of medical disciplines. Samitivej also provides extensive medical services at its renowned centers, which include Cardio-Neuro-Vascular Intervention Center, Newborn and Pediatric Surgery Center, Women's Health Center, Bone and Joint, Spine Center, Ear, Nose, and Throat Clinic, Child Development and Learning Center, Growth, Endocrine, and Diabetes Center, Hair Restoration Medical Center, and Infectious Disease Clinic.

"As an authorized agent of Samitivej Hospitals, we can offer Bangladeshi patients timely access to specialists across a range of medical disciplines. We believe patients will significantly benefit from the hospital's advanced services," said Nazneen Akter Sristy, Senior Executive at Thai Medicure.

This partnership will facilitate patient access to urgent advanced medical care. It also reflects Thai Medicure's commitment to bridging the gap between Bangladeshi patients and internationally acclaimed healthcare providers. By working closely with Samitivej Hospitals, Thai Medicure aims to streamline the patient journey from initial consultation to post-treatment care.

"Partnering with Samitivej Hospitals is a significant milestone for us. This collaboration expands access to quality medical care for Bangladeshi patients, and we look forward to the opportunities it brings," said Fuad Hasan, CEO of Thai Medicure.

As the [Samitivej Hospital Bangladesh Office](#), Thai Medicure provides a range of services, including Thai medical visa assistance, appointment scheduling, hospital admission, air ambulance services, telemedicine consultations, and transportation arrangements to and from the airport.
