

Trust&Go Provides Logistics to NFL Players in Dubai

Dubai, United Arab Emirates Jun 27, 2025 ([IssueWire.com](https://www.issuewire.com)) - Trust & Go Successfully Delivers Secure Logistics for NFL Stars in Dubai

Trust & Go, a global leader in secure logistics solutions, has successfully completed a high-profile project in Dubai, providing seamless and secure logistics support for elite NFL players, including Jordan Love, Kyle Pitts Sr., Justin Fields, and Micah Parsons.

The project, finalized in early 2025, showcased Trust & Go's expertise in managing complex logistics

for high-profile clients. The company coordinated secure transportation, equipment handling, and event support for the athletes during their visit to Dubai, ensuring the highest standards of safety and precision.

With rigorous security protocols and discreet operations, Trust & Go met the exacting demands of these world-renowned figures in Dubai's dynamic environment.

"Dubai is fast becoming a global sports hub, and it requires logistics solutions that match its ambition," said Ellafi Mahdaoui, CEO and Founder of Trust & Go. "Supporting NFL players—who demand unparalleled security and efficiency—demonstrates our capability to perform under pressure, from the United States and Europe to Asia and Dubai.

"Leveraging its deep knowledge of Dubai's infrastructure—including advanced ports, urban networks, and security systems—Trust & Go delivered a flawless experience, reinforcing its reputation as a trusted partner for elite clientele worldwide.
