

U Shine Dental Introduces Advanced Periodontal Treatments for Comprehensive Gum Health in Alexandria, VA

Dr. Irene Shin's Expertise in Arestin Therapy, Gingivectomies, and Specialized Cancer Care Sets U Shine Dental Apart

Alexandria, Virginia Mar 27, 2025 ([Issuewire.com](https://www.Issuewire.com)) - [U Shine Dental](#), a premier dental practice in Old Town Alexandria, is revolutionizing [Periodontal Care](#) with a range of advanced treatments designed to restore gum health and enhance patient well-being. Led by Dr. Irene Shin, the clinic offers innovative solutions such as **Arestin antibiotic therapy, expert gingivectomies, and chemotherapeutic rinses for cancer patients**, positioning U Shine Dental as a leader in specialized periodontal care.

Gum disease is a prevalent yet often overlooked oral health concern that can lead to serious complications, including tooth loss and systemic health issues. **U Shine Dental's comprehensive approach to periodontal treatment ensures patients receive precise, effective, and personalized care.**

Arestin: Targeted Antibiotic Therapy for Periodontitis

As part of U Shine Dental's commitment to advanced periodontal treatment, Dr. Shin incorporates **Arestin, a locally applied antibiotic, into deep cleaning procedures**. This powerful treatment helps eliminate bacteria from periodontal pockets, reducing inflammation and promoting gum tissue regeneration. Unlike traditional antibiotic methods, Arestin delivers medication **directly to the affected areas**, making it a highly effective tool in managing periodontitis.

Gingivectomies: Transforming Smiles with Expert Gum Contouring

For patients looking to enhance their smiles, **Dr. Shin specializes in gingivectomies**, a precise surgical procedure that reshapes the gum line to correct gummy smiles or uneven gums. With extensive experience in aesthetic gum treatments, Dr. Shin ensures that each patient achieves **a natural and balanced appearance tailored to their facial features**.

Chemotherapeutic Rinses: Specialized Oral Care for Cancer Patients

U Shine Dental takes a compassionate approach to oral health by offering **chemotherapeutic rinses** for patients undergoing cancer treatments. These specialized mouth rinses contain antibacterial and antifungal agents that help **manage oral infections, reduce discomfort, and support overall health** for those experiencing side effects from chemotherapy or radiation.

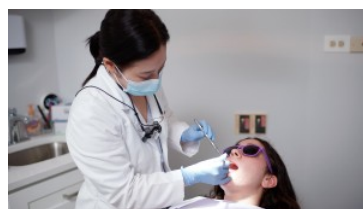

"We believe in offering **patient-centered, advanced periodontal care** that goes beyond traditional treatments," said [Dr. Irene Shin](#). "From **Arestin therapy** for gum disease management to **aesthetic gingivectomies** and **supportive care for cancer patients**, our goal is to provide solutions that truly make a difference in our patients' lives."

For individuals in Alexandria, VA, seeking expert periodontal care, **U Shine Dental offers state-of-the-art treatments tailored to individual needs**. To schedule an appointment or learn more about their specialized services, visit www.ushinedds.com or call **(703) 549-7492**.

About U Shine Dental Located in Old Town Alexandria, **U Shine Dental** provides comprehensive dental care, with a strong emphasis on **advanced periodontal treatments, cosmetic dentistry, and personalized patient care**.
