

Women Across the Globe Unite for the 2nd Annual Build Your Own Table Global Conference

The 2nd Annual Build Your Own Table Global Conference united women from around the world in a powerful celebration of leadership, entrepreneurship, and self-empowerment. Hosted by Optimum Life Enterprises LLC.

Amite, Louisiana Mar 17, 2025 (Issuewire.com) - In celebration of International Women's Day and Women's History Month, Optimum Life Enterprises LLC proudly hosted the 2nd Annual Build Your Own Table Global Conference—an inspiring and transformative event designed to empower women

worldwide.

Spearheaded by visionary CEO Dr. Latasha Ramsey-Cyprian (USA) and co-hosted by Dr. Mirta I. Jackson (USA), the conference brought together an extraordinary network of women leaders, entrepreneurs, and changemakers who have created their own opportunities rather than waiting for them. Among the 29 distinguished speakers representing 12 countries, Coach Herdiana Dewi Nurfika (Indonesia), Founder and CEO of Brancy Firm, stood out as a beacon of empowerment and resilience.

Empowering Women to Build Their Own Success

This dynamic event served as a powerful platform for women from diverse backgrounds to share their expertise, personal journeys, and strategies for achieving independence and self-sufficiency. Attendees gained invaluable insights into overcoming obstacles, creating opportunities in various industries, and breaking societal barriers to success.

Honoring Women Who Lead and Inspire

One of the conference's most prestigious highlights was the presentation of The Global Architect of Success Award, an honor recognizing visionary women who have boldly forged their own paths and left a lasting impact. These exceptional leaders embody courage, innovation, and an unwavering commitment to uplifting communities, breaking barriers, and driving meaningful change on a global scale.

A Global Gathering of Trailblazing Women

Under the leadership of Dr. Ramsey-Cyprian, this international gathering of powerhouse women provided an unforgettable experience, equipping attendees with the inspiration and tools needed to claim their seat at the table—or build their own.
