

zHealth to Unveil Innovative Chiropractic Software Solutions at Parker 2025

zHealth to Unveil Next-Gen Solutions at Parker Seminars Las Vegas 2025

San Francisco, California Mar 18, 2025 ([IssueWire.com](https://www.issuewire.com)) - zHealth, a leading provider of all-in-one chiropractic software, is thrilled to announce its participation in the upcoming Parker Seminars Las Vegas 2025. Set to take place from **March 20-22, 2025** at Caesars Forum Conference Centre, Las Vegas, Nevada, USA the event promises to be a gathering of industry experts, chiropractors, and enthusiasts eager to explore the latest advancements in chiropractic care.

Join zHealth at **booth #915** to explore cutting-edge solutions designed to enhance practice efficiency, profitability, and patient outcomes.

*"We are excited to unveil our latest chiropractic management software at Parker Seminars Las Vegas," said Sukhi Singh, CEO at zHealth. "Our goal is to make practice management easier, more efficient, and more profitable for chiropractors. Stop by **Booth #915** and see for yourself how zHealth can transform your clinic!."*

Key features of zHealth's chiropractic software include:

- Online appointment scheduling and management
- Digital patient intake and seamless patient check-ins
- Leverage a Mobile App for Patient Engagement
- Email marketing integration to nurture patient relationships and drive practice growth
- Customizable SOAP notes for documentation
- Efficient claims submission and billing management
- Enhanced communication tools for patient engagement
- Online review automation tool to get more reviews
- Patient recall software to bring back dropped-off patients
- Automated Email and SMS Campaigns
- Seamless integration with telehealth platforms to enable remote patient monitoring
- Reporting and analytics tools to track key performance indicators (KPIs) and monitor practice metrics

Throughout the event, zHealth will be:

- Hosting interactive sessions and live product demos
- Providing personalized consultations to address specific needs
- Offering exclusive event discounts and promotions for attendees
- Answering any questions you may have

Parker Seminars Las Vegas is a premier event where chiropractors, industry leaders, and innovators come together to explore the latest advancements in chiropractic care. This is the perfect opportunity to gain insights, network with peers, and explore cutting-edge solutions that can enhance practice efficiency and patient care. Join zHealth at **Booth #915** and experience the future of chiropractic practice management.

About Parker Seminars

Since 1951, Parker Seminars has hosted over 430 global events, training more than 40,000 chiropractors and 200,000 chiropractic assistants. Each seminar offers inspiration, education, and networking, along with continuing education (CE) opportunities to help professionals stay at the forefront of chiropractic care. Parker Seminars invites all chiropractic professionals and enthusiasts to join its mission of making chiropractic a global leader in healthcare. Learn more at parkerseminars.com. Join us for the upcoming Parker Seminars event from **March 20-22, 2025, in Las Vegas, Nevada**.
