A New Nation Is Born This Easter: The United Christian Nation Declares Independence Under Divine Law

Port of Freedom, Republic of Texas — On Resurrection Sunday, April 20, 2025, believers from around the world, united under the Lordship of Jesus Christ (Yahusha), have issued a Private Express Sovereign Trust and solemnly declared the public formation of the United Christian Nation (UCN) — a sovereign body politic rooted in Biblical law, natural rights, and the inalienable authority of Almighty God (Yahuah).

Inspired by the Exodus, the U.S. Declaration of Independence, and the sacred Year of Jubilee, the United Christian Nation represents a peaceful, lawful, and prophetic separation from the collapsing systems of this world. It reestablishes the divine model of covenant nationhood—a holy remnant gathered in obedience and faith.

“This is not rebellion. It is restoration,” said Joseph Stancil, Founding Prime Minister and Trustee of the United Christian Nation. “It is a return to rightful order under the Kingship of Christ. Just as ancient Israel was called out of Egypt, so too are believers being called to realign their citizenship under the Kingship of Yahusha.”

The United Christian Nation is anchored by foundational documents that articulate its spiritual, legal, and constitutional legitimacy:

- Private Express Sovereign Trust lawfully receives jurisdictional rights from believers worldwide under natural and common law.
- Declaration of Independence invokes divine law and international precedent for lawful separation.
- Constitution of the United Christian Nation affirms four co-equal branches of government rooted in Scripture.
- Bill of Rights and Responsibilities enshrines liberty, conscience, family, and faith as sacred trusts.

With its initial jurisdiction established upon the land and soil of the Republic of Texas, the UCN welcomes all who freely pledge allegiance to Yahusha and His Word, calling upon Christians worldwide to join this sacred assembly.

A Call to the Global Body of Christ — Recognition Begins, Awakening Accelerates

While the United Christian Nation is already initiating formal diplomatic petitions for peaceful recognition and strategic cooperation with nations worldwide, the primary focus of Year One is devoted to:

- Proclaiming the vision of a holy nation consecrated to Yahusha the Messiah;
- Inviting global believers to sign the Declaration of Allegiance;
- Encouraging Christian families to migrate to Texas and help form a supermajority plurality to lawfully vote in a future referendum to declare the Republic of Texas the sovereign territory of the United Christian Nation.

“Before we officially declare our independence, we seek the hearts of believers,” said Prime Minister Stancil. “Our mission is not to persuade politicians, but to awaken the saints.”

Year Two will build upon these efforts, continuing international outreach and civic mobilization while conducting a referendum vote among all who have signed the Declaration of Allegiance. That referendum will formally affirm the territorial foundation of the nation and initiate preparations for the public Declaration of Independence Ceremony and Inaugural Ball, to be held near the United Nations in

New York City on Easter Sunday, March 28, 2027.

The Jubilee and the Resurrection: A Divine Hour

The timing of this announcement coincides with both the Resurrection and the Jubilee—a prophetic reset ordained by God.

“Just as Yahusha rose from the grave in triumph, so now rises a nation consecrated to His rule. This is the Jubilee of nations. One King. One Law. One Nation.”
