

Aelum Consulting Grows Bigger and Bolder with New Office Space in Jaipur

Jersey City, New Jersey Jun 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Aelum Consulting is proud to announce the grand opening of its three new offices in Jaipur, Noida, and Hyderabad, marking a significant milestone in its journey of growth and innovation. With Jaipur as its headquarters, this expansion reinforces Aelum's commitment to delivering exceptional services, fostering innovation, and strengthening connections with clients and partners worldwide.

Aelum's New Home: A Perfect Blend of Innovation and Comfort

Aelum's new office is designed with a refreshing tropical theme, featuring soothing colours, minimalistic designs, and an ambiance that fosters creativity and collaboration.

The state-of-the-art infrastructure includes spacious, well-lit meeting rooms, modern workstations equipped with cutting-edge technology, and a vibrant lounge area tailored for relaxation and teamwork. Thoughtfully crafted breakout zones and wellness spaces promote a healthy work-life balance, ensuring that employees feel motivated, engaged, and inspired every day. For new and working mothers, we provide a dedicated feeding room and play area, supporting them through this precious phase of life and empowering womanhood. With a perfect fusion of functionality and aesthetics, Aelum's new home is more than just an office—it's a hub of innovation, growth, and excellence.

Celebrating the Grand Inauguration

The grand inauguration ceremony at the Jaipur headquarters was filled with excitement, enthusiasm, and joy. Employees and leadership came together to celebrate this achievement with an office tour, fun activities, and team-building games, marking the beginning of an exciting new chapter for Aelum.

A New Space, A Bold Vision, Endless Possibilities

With this strategic expansion, Aelum Consulting is scaling its operations, enhancing its service capabilities, and creating a collaborative workspace that embodies its values of teamwork, customer-centricity, and innovation. The Jaipur headquarters stands as a symbol of Aelum's vision, representing a new era of growth and global competitiveness.

“This expansion reflects the dedication of our people and our mission to push boundaries in the industry. Our new offices will serve as a hub for innovation, where technology, culture, and sustainability come together to create an innovative work environment.” – **Komal Gupta, Founder & CEO**

With the same sentiment, **Trishala Shastri, Co-Founder & CGO** said “Aelum's journey has been one of relentless growth and evolution. These new spaces will empower our teams to aim high, dream big, and drive impactful change.”

Aelum's Growth and Commitment to People

Over the past year, Aelum Consulting has expanded from a small team in India to a dynamic workforce of 200+ employees. This remarkable growth is a testament to the talent and dedication of Aelum's people, whose passion and expertise continue to drive the company forward.

What's Next for Aelum?

With its expanded presence, Aelum Consulting is poised to further its commitment to excellence, innovation, and customer success. In the financial year 2025-2026 the company is actively working towards enhancing its services, building new partnerships, and exploring emerging technologies to shape the future of digital transformation.
