

akaOCDs - Americana Folk Band releases EP album titled Encomia

In a world turned upside down, turn it back with song!

Elko, Nevada Apr 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a world that seems a little stretched and at times upside down, a band comes forward to provide the best in sound for a hungry ear. The band members of akaOCDs say they are "firstly a praise band, bringing Biblical Truth through words with tunes and melodies that are all original. We play a variety of songs from ALL genres in a Americana Folk style." You might ask what does the name akaOCDs even stand for and the members quickly reply "Also Known As Old Christian Defenders."

A quick listen might include these links

Or look it up where you usually find songs under akaOCDs and the album Encomia. The three songs on their kick-off EP are Everything, You are the Singer and More of You. A personal favorite with such beautiful harmonies would be the song "More of You". After signing a contract in the Netherlands, the band released its first EP with three songs and will continue to release singles, one after another, over the next few months. They have at least 200 hundred original songs and will continue to add new ones, always picking the best of the bunch to put forward as singles. The summer concert scheduled is coming together in Elko County Nevada.
