

Ashima Lyall, MD: Leading the Way in Breast Radiology and Molecular Imaging at Medical Imaging of Lehigh Valley, P.C.

Compassionate Care Meets Advanced Imaging Techniques in the Heart of Pennsylvania

New York City, New York Apr 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Medical Imaging of Lehigh Valley, P.C. is proud to spotlight Ashima Lyall, MD, a board-certified breast radiologist and nuclear medicine & molecular imaging physician. Dr. Lyall brings a wealth of knowledge, experience, and a compassionate approach to patient care, enhancing the quality of diagnostic imaging services available to the Lehigh Valley and surrounding communities in eastern and northeastern Pennsylvania.

Dr. Lyall's impressive educational and professional journey began in 2002 when she graduated with her Medical Degree from Grant Government Medical College in India. Her commitment to excellence in medicine led her to the United Kingdom, where she completed her surgical residency at Barnet and Chase Farm NHS Hospitals. She further advanced her surgical training at the University of Aberdeen before honing her skills at the prestigious Mayo Clinic in Rochester, Minnesota.

Recognizing the importance of molecular imaging in the diagnostic and therapeutic paradigms of oncology, Dr. Lyall completed a three-year residency at Memorial Sloan Kettering Cancer Center, where she also completed a fellowship in nuclear oncology. She concluded her extensive training with a radiology residency at Columbia University in New York City, solidifying her expertise in the field.

As a Diplomate of both the American Board of Radiology and the American Board of Nuclear Medicine, Dr. Lyall is committed to staying at the forefront of advancements in imaging technology and patient care. She is actively engaged in several professional organizations, including the American College of Radiology, the Radiological Society of North America, the American Roentgen Ray Society, the American College of Nuclear Physicians, and the Society of Nuclear Medicine and Molecular Imaging.

Dr. Lyall's dedication to her patients and her comprehensive background in both surgical and radiological fields make her a valuable addition to the Medical Imaging of Lehigh Valley team. The practice is committed to providing the highest standards of care, and with Dr. Lyall on board, they are poised to enhance its diagnostic capabilities and patient services.
