Graceful wins media award for its digital media strategies

London, United Kingdom Oct 8, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Author and businesswoman, Chinyere Nwakanma of Graceful magazine United Kingdom wins Best digital media strategy award in the Media and Entertainment award category an honour recognizing excellence, creativity, and influence in the literary world. This award was given to her in October 2025.

Chinyere's work with Graceful magazine stood out among a competitive field of media companies, earning praises from judges for its honesty, originality, and media impact through Graceful magazine through their articles on hope, innovation and excellence.

"I'm honored to be recognized with such a meaningful award," said Chinyere. "Graceful magazine wouldn't exist without her friends, her readers, and everyone who shared their voices and experiences with me that led me to decide that encouraging people going through difficult times to move on is what I want to do with the magazine. Their courage and honesty shaped the pages of each issue, and I'm grateful to celebrate this achievement with them."

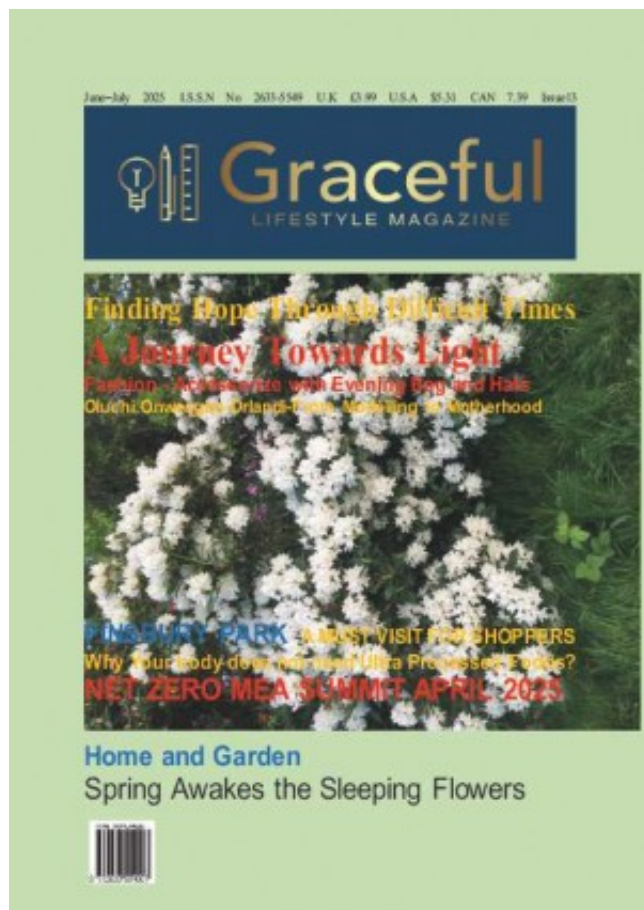

Chinyere Nwakanma is an international award-winning author whose work focuses on practical self-help rooted in real experiences, plays, poetry and books for children.

The author, poet and playwright told grapevine that publishing Graceful magazine is something she found amazing, as she wrote more articles than her usual stories entertaining kids and veering into journalism has made her to see another dimension in writing. She thanks the awarding body Business Award U.K for showing her much kindness as she shares hope to her readers and encourages innovation, skill acquisition and excellence across every country especially among the youths.
