Author & Film Producer Pintu Saw Rises with Book ‘Nobody Help You Change Your Thoughts’ and Film ‘Sangee (2025)’

Indian author and film producer Pintu Saw is creating a unique impact across two industries — literature and film — by empowering minds and hearts through powerful storytelling.

Mumbai, Maharashtra Jan 27, 2026 (Issuewire.com) - Rising author and creative visionary **Pintu Saw** is building a legacy that blends self-empowerment with storytelling. From his breakout book *"Nobody Help You Change Your Thoughts"* to his debut as a film producer with *"Sangee (2025)"*, Pintu is carving a unique space for himself in both the **self-help literature** and **Indian film industry**.

Pintu's first book, *Nobody Help You Change Your Thoughts*, challenges readers to take ownership of their mindset and break free from limiting beliefs. With relatable stories, actionable tips, and a deep understanding of personal transformation, the book encourages readers to reprogram their thoughts and live more intentionally.

“Change begins in the mind. My goal is to help people unlock that potential,” says Pintu Saw.

The book is already making waves among readers seeking motivation, mental clarity, and a fresh start in life. It is available now on Amazon:
"Nobody Help You Change Your Thoughts"

Following the success of his book, Pintu took his passion for impactful storytelling to the big screen. His debut film as a **producer**, *Sangee (2025)*, was recently released and is receiving appreciation for its heart-touching storyline and meaningful message. The film explores themes of **friendship, emotional growth**, and **life-changing choices**, aligning with Pintu’s broader message of inner strength and positive change.

With a growing digital presence, verified listings on platforms like **IMDb** and **Goodreads**, and a community of engaged followers, Pintu Saw continues to inspire a new generation to take charge of their thoughts and their lives.

About Pintu Saw

Pintu Saw is an Indian author and film producer known for his motivational work and creative vision. His debut book *Nobody Help You Change Your Thoughts* has helped readers shift their mindset toward personal growth.
