

Ayushman Diagnostics & Imaging Centre Makes Booking Appointments Easier for Patients with New Online System

New Delhi, Delhi Apr 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Ayushman Diagnostics & Imaging Centre, a leading pathology and diagnostic service provider in Dwarka, has announced the launch of its new appointment scheduling system. This initiative aims to enhance patient accessibility and streamline the process of scheduling diagnostic tests and services. Located in Dwarka, Delhi, and as an extension of Ayushman Hospital, Ayushman Diagnostics & Imaging Centre is committed to delivering high-quality, affordable healthcare services.

“Our mission is to touch a million lives by providing excellent and accessible healthcare,” said the representative of Ayushman Diagnostics & Imaging Centre. “The introduction of our appointment scheduling system is a significant step towards achieving this goal. We understand the importance of convenience and efficiency in healthcare, and this platform allows patients to easily schedule their tests from the comfort of their homes.” The new system offers patients a seamless experience, enabling them to schedule appointments at their convenience, access a comprehensive list of services, simplify the booking process, and schedule home collection test services.

Ayushman Diagnostics & Imaging Centre prides itself on its commitment to accuracy and quality. The laboratory utilizes state-of-the-art equipment and adheres to stringent quality control measures to

ensure reliable results. The centre's professional and well-trained medical staff is dedicated to providing patient-friendly and timely services across a wide range of departments including Biochemistry, Clinical Pathology, Histocytopathology, Hematology, [Immunology](#), Microbiology, [Cytogenetics](#), [Serology](#), and [Radiology](#). "We recognize the critical role of accurate diagnostics in patient care," the representative added. "Our appointment scheduling system, combined with our commitment to quality, reinforces our position as a trusted healthcare partner in the community."

Ayushman Diagnostics & Imaging Centre offers a wide range of diagnostic services, including Comprehensive Pathology Tests, Advanced Imaging Services, and Home Collection Services. For more information or to schedule an appointment, please visit <https://www.ayushmandiagnostics.com/>.
