

Cleveland Clinic Akron General's Todd Hamon, RN, Celebrates 25+ Years of Excellence in Nursing

Dedicated Nurse Combines Expertise and Compassion to Deliver Top-Notch Patient Care

New York City, New York Apr 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - Akron, Ohio – Cleveland Clinic Akron General is proud to highlight Todd Hamon, RN, a dedicated Registered Nurse with over 25 years of experience in the healthcare field, specializing in orthopedic care. Working at one of the nation's leading non-profit, teaching hospitals, Todd has made significant contributions to patient care and nursing excellence.

In his role at the Cleveland Clinic Akron General, Todd provides comprehensive nursing care to patients in both medical/surgical and post-operative units. His responsibilities include administering medications and treatment plans, delivering patient education, and offering essential support to patients and their families. Todd meticulously assesses individual cases, analyzes and interprets patient data, and documents relevant medical information to ensure the highest standard of care.

Todd's commitment to patient safety and regulatory compliance is unwavering as he collaborates closely with physicians, fellow nurses, and support staff. Together, they coordinate high-quality patient care, making a meaningful impact on the lives of those they serve.

A proud alumnus of Kent State University, Todd earned his Bachelor of Science in Nursing in 1999. He is currently pursuing a Master of Science in Nursing – Nursing Administration & Health Systems Leadership, which he expects to complete in 2027. His commitment to lifelong learning exemplifies his dedication to advancing the nursing profession.

As a certified professional through the Orthopedic Nurses Certification Board and the American Nurses Credentialing Center, Todd stays connected to the latest developments in orthopedic care. He is also an active member of the National Association of Orthopaedic Nurses, further contributing to his professional growth and knowledge.

Todd attributes his success to the incredible team around him, expressing profound gratitude for their support and encouragement. "My colleagues constantly motivate me to grow, challenge myself, and stay inspired," Todd shared. "Their support fuels my continuous development and drives me to remain actively involved in the nursing community."

Cleveland Clinic Akron General is honored to have Todd Hamon as part of its exceptional team. His dedication to patient care and commitment to professional development are a testament to the quality of nursing excellence delivered at this esteemed institution.
