

## Construction Corps Welcomes Pablo Lorenzo to Lead Permit Ready Plans Division

**Clearwater, Florida Apr 23, 2025 ([Issuewire.com](https://www.issuewire.com))** - Construction Corps, a veteran-owned design-build firm with offices in Clearwater, Florida, and Burbank, California, proudly announces the addition of Pablo Lorenzo as Head of its Permit Ready Plans division. Lorenzo, a seasoned draftsman with over 15 years of experience, brings a wealth of expertise in both commercial and residential construction design.

Born in the Dominican Republic and raised in New York and Florida, Lorenzo has cultivated a deep understanding of diverse architectural styles and building requirements. Since January 2025, he and his team of draftsmen have been integral to Construction Corps, having previously collaborated as the company's preferred drafting partner since the Clearwater branch's inception in 2023.

Lorenzo has successfully drafted hundreds of construction plans, including numerous restaurant and retail buildouts. His proficiency extends to creating comprehensive construction blueprints for both of the Construction Corps' branches. The company is renowned for its expertise in providing MEP (Mechanical, Electrical, and Plumbing) plans and holds registration with the American Institute of Building Design (AIBD).

"I love the science behind design, planning, and building," says Lorenzo. "Everything I start to work on, I look at from a viewpoint of 'Make it make sense.'"

Construction Corps continues to deliver exceptional design-build services, emphasizing quality craftsmanship and client satisfaction. With Lorenzo's leadership in the Permit Ready Plans division, the

company is poised to enhance its offerings and serve a broader clientele across Florida and California.
