

Crespo Partners Announces Flagship Webinar Series to Prepare Entrepreneurs for the AI Era

Crespo Partners delivers a tactical roadmap for small business owners to gain a competitive edge with AI—before the platform's official release.

The graphic is a promotional poster for a webinar series. It features a dark blue background with a subtle geometric pattern. On the right side, there is a circular portrait of a man with a beard and short hair, wearing a dark suit jacket over a light blue shirt. The text is arranged on the left side. At the top right, the 'Crespo Ai' logo is visible. The main title 'Free Webinar Series' is in a white script font, followed by 'AI-POWERED BUSINESS' in large, bold, white sans-serif capital letters. Below this, a paragraph of text describes the webinar's focus. Further down, two rows of information are presented with icons: a calendar icon for dates and a location pin icon for the schedule. A 'REGISTER NOW' button is located at the bottom left. At the bottom right, a microphone icon is next to the speaker's name and title.

 Special Speaker:
Bryan Jaglal
Navy Veteran | Founder of Crespo AI

Lakeland, Florida Apr 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - As artificial intelligence rapidly reshapes the business landscape, Crespo Partners is delivering a timely solution. Today, the company officially announced its **AI-Powered Business Webinar Series**, a structured, seven-day training experience created to equip entrepreneurs with the tools and frameworks needed to build, automate, and scale their

businesses using artificial intelligence.

The series lays the foundation for the public release of **Crespo AI**, Crespo Partners' all-in-one AI marketing and automation platform, launching in May. Registration for the webinar opened on **April 3, 2025** and has already reached over **70% capacity**, with limited seats remaining. The sessions will be released daily from **April 14–20, 2025**, with new training modules made available at **2:00 PM EST** each day.

Each session is pre-recorded and designed to deliver practical, implementation-ready insights in under one hour.

Registration is open:

Inside the Series: A Tactical Blueprint for AI Implementation

Each day delivers a focused training designed to bridge strategy with execution—guided by the same principles that power Crespo AI.

Day 1 – Building Your Brand with AI

Design a complete brand identity—logo, pitch, product page—in minutes.

Day 2 – Content Creation Made Easy

Automate full-scale content campaigns: blogs, voiceovers, videos, and more.

Day 3 – Website in a Night

Deploy a fully functional website, with zero coding, in under 24 hours.

Day 4 – The Automated Sales Funnel

Build lead magnets, landing pages, and follow-up automations that convert.

Day 5 – Social Media on Autopilot

Plan, generate, and schedule 30 days of content in one session.

Day 6 – Your AI Marketing Team

Replace 5+ roles with one intelligent platform designed for scale.

Day 7 – AI for Everyday Ops

Streamline admin, customer support, SOPs, and data-driven decision-making.

“There’s a misconception that AI is out of reach for small businesses,” said **Bryan Jaglal**, Founder of Crespo Partners. “This series is about changing that narrative. We’re showing business owners how to take back their time, eliminate guesswork and scale with clarity—and we’re doing it in just seven days.”
