

Curtis Johnston, DO: A Leading Family Physician in Osteopathic Manipulative Medicine

Blending Academic Excellence and Clinical Expertise at SIU Medicine

New York City, New York Apr 24, 2025 ([IssueWire.com](https://www.IssueWire.com)) - SIU Medicine proudly highlights the continued dedication of Curtis Johnston, DO, a board-certified family physician with a specialization in osteopathic manipulative medicine, at its Family Medicine Outpatient Clinic in Springfield, Illinois. He brings a wealth of knowledge and expertise to his role, underscoring SIU Medicine's commitment to innovative and comprehensive patient care.

Dr. Johnston is affiliated with several healthcare facilities, including HSHS St. John's Hospital, Springfield Memorial Hospital, and Taylorville Memorial Hospital, allowing him to offer a diverse range of services to patients in the region. His extensive training and experience enable him to provide holistic care that addresses not only the physical but also the emotional and psychological well-being of his patients.

In addition to his clinical practice, Dr. Johnston serves as an Assistant Professor at the SIU School of Medicine, sharing his expertise and passion for osteopathic medicine with the next generation of healthcare professionals. His role as an educator allows him to impact the future of medicine while continuously learning and growing within his field.

Dr. Johnston earned his Doctor of Osteopathic Medicine Degree from A.T. Still University, Kirksville College of Osteopathic Medicine in 2016. Following his graduation, he completed a rigorous residency in family medicine at the Center for Family & Community Medicine at the SIU School of Medicine from 2016 to 2019. His commitment to the principles of osteopathic medicine, which emphasize a whole-person approach to healthcare, is evident in his practice.

As a Diplomate of the American Osteopathic Board of Family Physicians, Dr. Johnston holds board certifications in both Family Practice and Osteopathic Manipulative Medicine. His dedication to advancing his skills and knowledge reflects a commitment to providing the highest quality of care to his patients.
