

David Abdoo, DPM: Expert Podiatrist & Owner at Salinas Valley Foot and Ankle

Delivering Top-Tier Foot and Ankle Surgery to Salinas, California, with a Focus on Comprehensive Medical, Surgical, and Rehabilitative Treatments

New York City, New York Apr 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - David Abdoo, DPM, a highly skilled and

board-certified podiatrist, is the proud Owner of Salinas Valley Foot & Ankle, located in Salinas, California. Specializing in the medical and surgical treatment of foot and ankle conditions, Dr. Abdoo offers a comprehensive range of services to patients of all ages. His expertise includes cosmetic and reconstructive surgery, post-traumatic surgery, sports medicine, and diabetic limb salvage.

At Salinas Valley Foot & Ankle, the mission is clear: to provide superior foot and ankle care through prompt diagnosis, early intervention, and preventive measures. The clinic prides itself on offering a full spectrum of podiatric medical care, from conservative treatments to advanced surgical options, all delivered in a warm and friendly environment that prioritizes patient comfort.

"I am committed to providing a comprehensive and compassionate approach to your treatment. Giving you the latest and most advanced treatment options and providing you with the education you need to obtain the results you want," says Dr. Abdoo. His dedication to patient care extends beyond the clinic, as he also serves as an attending physician at both the Monterey Bay Wound Center and Watsonville Wound Care Center.

Dr. Abdoo's educational background is notable. He earned his Bachelor of Science Degree in Chemistry from the University of Northern Colorado and subsequently received his Doctor of Podiatric Medicine Degree from the California College of Podiatric Medicine. His rigorous training continued at the Veterans Administration Hospital in Palo Alto, California, where he completed his podiatric surgery and medical internship. He further honed his skills during his residency at Stanford University School of Medicine, followed by an advanced surgical fellowship at the same institution.

With board certification in Foot Surgery and Reconstructive Rearfoot/Ankle Surgery, Dr. Abdoo is a Diplomate of the American Board of Podiatric Surgery. He is also a Fellow of the American College of Foot and Ankle Surgeons and is an active member of several professional organizations, including the American Podiatric Medical Association and the California Podiatric Medical Association. His commitment to the field is underscored by his past presidency of the Monterey Bay Podiatric Medical Society and his contributions through published articles and media appearances.

Dr. Abdoo's profound interest in podiatric medicine began in his teenage years, sparked by his experiences in his stepfather's podiatric medical practice. Witnessing the impact of foot and ankle conditions on individuals' lives fueled his desire to specialize in this field. He understands that painful lower extremity conditions can severely affect an individual's lifestyle, impacting physical and mental health, family activities, and workplace productivity. This realization drives Dr. Abdoo to stay at the forefront of medical advancements, ensuring the best outcomes for his patients.

Outside of his professional commitments, Dr. Abdoo enjoys a variety of hobbies, including playing the guitar, weight training, and running. His passion for both medicine and a balanced lifestyle reflects his holistic approach to patient care.
