

David Feingold featured as most influential businessman in South Carolina

As David Feingold goes big on South Carolina, be prepared for job creation, economic expansion, controversy, humor, charitable giving and lots of litigation. Feingold is a contradiction in many ways

Greenville, South Carolina Apr 3, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Big City Business Journals is pleased to announce that its April 2025 feature focuses on David Feingold, probably South Carolina's most influential businessman and he does not even live there. The article discussed Mr. Feingold's business empire operating out of the charming town of Greenville, South Carolina and features a person who is responsible for extraordinary amounts of charity and business, and he does it with a grand sense of humor.

However, Mr. Feingold is no stranger to controversy and is constantly involved in litigation, with his latest nemesis being the SEC (Securities and Exchange Commission). A review of the case of Mr. Feingold's business, Broadstreet, Inc. and related enterprise Broadstreet Global Fund just might cause one to question government actions, overreach, fraud and abuse. In a time when the government is being criticized, this article seems more relevant than ever. A detailed discussion of a troubling SEC case is analyzed. Also, a detailed analysis of Mr. Feingold's extraordinary history is depicted.
