

Dr. Gavneet Sandhu Joins KSOSN: A Passionate Advocate for Kidney Health in Las Vegas

Renowned Nephrologist Brings Expertise and Commitment to Patient Education in the Heart of Nevada

New York City, New York Apr 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - KSOSN is proud to announce the addition of Dr. Gavneet Sandhu to its esteemed team of nephrologists. With a rich educational background and a strong commitment to patient-centered care, Dr. Sandhu is set to enhance the quality of kidney care

provided to the Las Vegas community.

Dr. Sandhu earned his MD degree from Saba University School of Medicine. He completed his Internal Medicine residency at MedStar Union Memorial Hospital in Baltimore, MD, followed by a Nephrology fellowship at Georgetown University Hospital in Washington, DC. His interest in nephrology was sparked during his first year of medical school when he was introduced to renal physiology. With a solid foundation in Biochemistry and Human Biology, Dr. Sandhu quickly connected with the complexities of acid-base and electrolyte disorders, which further solidified his passion for this specialty.

During his medical training, Dr. Sandhu served as a teaching assistant for renal physiology, demonstrating his dedication to sharing knowledge and educating others. His residency provided him with invaluable experience working with a diverse dialysis population and a variety of kidney-related diseases, reinforcing his decision to pursue a career in nephrology.

Dr. Sandhu emphasizes the importance of patient education in managing kidney disease. He believes that effective treatment requires not only medical intervention but also empowering patients with the knowledge to make informed decisions about their health. "Small lifestyle changes, such as dietary adjustments and increased physical activity, can significantly impact the progression of kidney disease," he noted. "As nephrologists, we play a crucial role in advocating for our patients and guiding them toward healthier choices."

Originally from Canada, Dr. Sandhu moved to the United States to pursue his residency and is now thrilled to call Las Vegas home. He enjoys spending time with his family, including his wife and two children, and is passionate about traveling, hiking, and painting in his free time. Fluent in English, Punjabi, and Hindi, Dr. Sandhu is committed to providing culturally competent care to his diverse patient population.
