

Dream Nudge Invites You to a Playful Planning Party for Creatives — Tickets Now on Sale

New York City, New York Apr 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - *Dream Nudge*, the joyful goal-setting brand for creatives, is excited to announce its next live event: Dream Nudge — A 90-Minute Creative Goal-Setting Planning Party on Zoom. This highly anticipated virtual experience is designed to spark momentum, inspiration, and meaningful connection—all for just \$25 per ticket.

Part community gathering, part creative workshop, this 90-minute event is more than a planning session. It's a feel-good reset that includes guided goal-setting, playful prompts, calming meditation, and a few surprise twists to help you reconnect with your dreams—without the corporate vibes.

“This event is about celebrating progress, play, and the power of taking action toward our dreams,” says Amy Jans, founder of Dream Nudge. “I wanted to design something that felt more like a cozy brunch or dreamy sleepover than a typical productivity workshop. It's about giving yourself permission to imagine and begin again.”

Whether you're mapping your next creative idea, craving community, or just want to infuse some joy into your planning process, this event is your nudge to start.
