for artists to promote themselves, and considering their need, the **Music Promotion Club** has come up with its **Easter Day Special Sale**. Music artists from every platform can take complete advantage of this special sale which is offering a **15% discount** on all [music promotion services](#). Starting from **April 7**, the special sale will carry on till **April 16** and empower music artists from all around the world. Whether a singer, a DJ, or a rapper; all kinds of music artists can take complete advantage of these services which are designed to pave a successful music career ahead.

Music Promotion Club offers a handful of diversified music promotion packages specially designed to empower music artists at a reasonable price point. The best part is that all promotional packages can be purchased in a custom manner where artists are free to choose only what they need and the price for the promotional package will be set accordingly. It utilizes diversified music promotion strategies including content marketing, social media marketing, and making music websites. It is an all-in-one music promotion platform that can become a trustworthy partner for all kinds of artists.

The agency offers custom [SoundCloud Music Promotion](#) where artists can gain up to 150k plays along with a huge amount of web traffic and online engagement. The idea is quite the same in the case of [YouTube Video Promotion](#), where music artists can gain up to 1k views for every \$10 spent. The features for content marketing and social media marketing remain the same for YouTube, SoundCloud and promotions as well. For content, artists will get paid press release distribution along with music blogs, reviews, and an opportunity to get featured in a global music magazine. The social media promotion takes place through Facebook, Instagram, and Google Ads sponsored promotion which can offer up to 9k to 18k reach in the competitive market.

The workforce for Music Promotion Club is built with a dynamic team of professionals including web developers who are experienced in the music industry. They can help to create attractive music websites for the artists which allows them to gain more exposure and create a strong online presence. The services for [Artist Website Creation](#) can be easily purchased in the same methods and artists can either opt for a 1-page website or a 2-page one. In each case, the professionals make sure to create a website that embraces the artist's style, individuality, and musical creations. This website also works like an online asset of information that can simply be sent to marketers and market experts.

The latest Easter Day special sale is offering music artists a beneficial opportunity to take complete advantage of these services along with an additional **discount of 15%** on packages that are already quite reasonable. The sale will be active from **April 7 to April 16** only and artists are recommended to grab this opportunity as soon as possible.
