This includes a wide variety of beauty services catered to each and every client. Here; we will take a closer look at the services that have earned Eye Candy the title of best **brow salon** throughout Texas:

- **Eyebrow Threading**

Eyebrow threading is a primary service offered at **eyebrows salon** Eye Candy. This practical method involves a twisted cotton thread to remove stray hair and sculpt the brows with absolute precision. It's

gentler than waxing and ideal for sensitive skin. **Threading eyebrows** is a great alternative to achieve defined brows without using tweezers and has gained popularity as the preferred way to shape brows to accentuate facial features.

“Our specialty is eyebrow threading — it’s the one service our clients come back for over and over. It’s the best way to define and shape the brow naturally,” the owner of Eye Candy Brows Salon added. “Our trained professionals always make sure every **threading eyebrows** session leaves clients with brows they love.”.

- **Eye Brow Tinting**

Eye brow tinting is another popular service at Eye Candy; it’s great for those with fair hair who want to add a pop of colour to their natural brow. **Eye brow tint** uses a special tint to darken the brows for a full, defined look that lasts for weeks. Whether you have light or sparse brows, **eye brow lamination and tint near me** gives the illusion of fullness with very little upkeep. And if you ever need to adjust the shade, our experts can help with **eyebrow tint remover** to achieve your desired look.

- **Lash Extensions**

Eye Candy Brows Salon also offers stunning **eye lashes extension** that add volume and length to the natural lash line. The salon gives you absolutely customized **lash extensions Dallas**, with each set tailored according to the look of the client. Whether you want natural, voluminous, or somewhere in between, the lash extension gurus at Eye Candy will customize a look for you. From classic styles to **lashes clusters**, we ensure every client gets the perfect lashes to enhance their beauty.

- **Waxing Services**

You can trust Eye Candy for gentle **waxing service** that leaves your skin smooth and hair-free. As a top **waxing beauty salon near me**, we offer **waxing hair removal service** for different parts of the body, such as the face, legs, arms, and more.
