

‘Fact Finding’, a Digital News Platform That Started from Madhya Pradesh, Becomes Readers’ Favorite in Just 7 Months

Digital news platform Fact Finding, which started from Burhanpur in Madhya Pradesh, has become the choice of over 45,000 readers in just 7 months. Discover how it earned people’s trust through

Burhanpur, Madhya Pradesh Apr 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - In today’s fast-paced world, where sensational headlines and clickbait dominate the media landscape, a digital news platform named Fact Finding (<https://factfinding.in/>), launched from Burhanpur, Madhya Pradesh, has given a new dimension to truthful and accurate journalism. Launched on September 10, 2024, this digital media platform has carved a niche for itself among readers in just seven months. Today, it has over 45,000 monthly readers, and the number is steadily increasing.

The mission of [Fact Finding](https://factfinding.in/) is clear – to bring forward those stories that often get overshadowed in the glitter of mainstream media. Whether it’s an unheard tale from a small town or a crucial issue, this platform presents it to readers in simple and understandable language. Spreading sensationalism is not the goal here; providing accurate information at the right time is the top priority.

Experienced Team and Presence in Every District

The strength of [Fact Finding](https://factfinding.in/) lies in its team of experienced editors and a strong network of stringers spread across every district of Madhya Pradesh. These stringers cover news from the grassroots and deliver it directly to the platform. The editorial team then thoroughly verifies each story, ensuring that

only the truth reaches the readers. The news is then presented in such a simple and clear manner that anyone can read and understand it with ease.

Away from Clickbait, Closer to Truth

In an era where many news platforms compromise the truth for flashy headlines, Fact Finding stands apart from the crowd. This platform is far from clickbait journalism and is committed to bringing factual news to its readers. This is the very reason why it has won the trust of its audience in such a short time.

A Major Achievement in 7 Months

Since its inception on September 10, 2024, Fact Finding has quickly built its identity. Today, it has over 45,000 regular readers who visit the platform each month to stay updated. The growing number of readers is proof that people are now preferring clean, honest news over sensationalism.

A New Experience for Readers

[Fact Finding](#) is not just a news portal; it has emerged as a trustworthy friend for its readers. The platform doesn't just deliver news—it presents it in such a way that people of all ages and backgrounds can easily connect. The success of this rising digital platform from Madhya Pradesh proves that with truth and hard work, one can achieve great heights in a short time.

If you also appreciate accurate and honest news, then Fact Finding is just the right place for you. Visit the platform and experience for yourself what true journalism really means
