

Gihan Kader, MD, Joins Leading Neurology Practices in Indiana and Missouri to Enhance Patient Care

Board-Certified Neurologist Brings Expertise in Complex Neurological Disorders to Local Communities

New York City, New York Apr 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Gihan Kader, MD, is a board-certified neurologist with years of experience in diagnosing and treating neurological disorders. She is committed to advancing patient care across Indiana and Missouri through her clinical practice and affiliations with prominent healthcare institutions, including Deaconess Midtown Hospital, Parkview Regional Medical

Center, SSM Health St. Joseph Hospital - Lake Saint Louis, Mercy Hospital St. Louis, and St. Luke's Hospital-Chesterfield.

With a specialized focus on diagnosing, treating, and managing disorders of the brain and nervous system, Dr. Kader is dedicated to delivering exceptional patient care and improving health outcomes for her patients. She has extensive experience in handling complex neurological conditions such as epilepsy, multiple sclerosis, and migraines. Dr. Kader utilizes advanced techniques and personalized treatment plans tailored to each patient's unique needs, understanding that each patient's circumstances are key to effective treatment.

Dr. Kader graduated in 1974 from the Faculty of Medicine of the American University of Beirut. She then relocated to the United States, completing her residency in neurology at Louisiana State University School of Medicine from 1974 to 1977, where she honed her skills in diagnosing and managing various neurological conditions.

As a Diplomate of the American Board of Psychiatry and Neurology, Dr. Kader is dedicated to continuing education and stays updated on the latest advancements in neurological research and therapies. Her clinical affiliations with leading hospitals allow her to provide patients with access to cutting-edge treatments and multidisciplinary care. Dr. Kader is excited to be part of a network that prioritizes innovative care and collaborative practices to enhance patient health and well-being.
