

God's Pursuit of the Lost ONE: From Meth to Ministry — A Bold Memoir Breaking Chains and Changing Lives

A true story of devastation, divine pursuit, and deliverance—God's Pursuit of the Lost ONE is changing lives one reader at a time.

Albert Lea, Minnesota Jun 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - This isn't just another book release—it's a

wake-up call.

God's Pursuit of the Lost ONE by **Jonathan Boyd** is a memoir that doesn't sugarcoat pain. It doesn't offer clichés. It tells the brutal, beautiful truth about what happens when a man who has lost everything is found by a God who refuses to give up.

For nearly 30 years, methamphetamine had Boyd in a death grip. He burned bridges, broke hearts, and buried himself in shame. Jails became home. Hope seemed like a joke. But even in that darkness, God was moving—pursuing.

"I was too high to care. Too broken to believe. Too far gone to be saved... or so I thought. But God had other plans," Boyd shares.

???? THIS IS NOT A COMEBACK STORY — IT'S A RESCUE MISSION

This memoir walks through:

- Addiction at its ugliest
- Mugshots and madness
- The miracle of restored fatherhood
- The long road from chains to calling
- The relentless grace that never stopped chasing

This book isn't tidy. It's not polite. It's real—and it's changing lives.

???? WHO IT'S FOR:

- Addicts and prisoners
- Families desperate for hope
- Recovery groups and rehab centers
- Churches ready for raw testimonies
- Anyone who needs to know they are **never too far gone**

Already a **#1 New Release in US Midwest Biographies**, *God's Pursuit of the Lost ONE* is blowing up without big publishers or paid campaigns. It's spreading because it's real. And readers feel it.
