

Grove Electric & Lighting Supply Reports Significant Revenue Growth in January 2025

Dallas, Texas Apr 8, 2025 ([IssueWire.com](https://www.issuewire.com)) - Grove Electric & Lighting Supply is pleased to announce a substantial increase in gross revenues for January 2025. The company achieved a 64% growth compared to January 2024 and a 16% rise over the average January revenues of the past three years.

This impressive performance positions the company to surpass previous annual gross revenues by at least 20%, indicating a positive trajectory for net income growth in 2025.

Paul Scribner, CEO of Raven Resources Corp.: "The outstanding revenue growth at Grove Electric & Lighting Supply is a clear reflection of our strategic vision and the dedication of our entire team. As we continue to strengthen our investments and optimize operations, we are confident that this momentum will drive even greater success in the months ahead."

"Our January results reflect the dedication of our team and the loyalty of our customers," said Tim Williams, Manager of Grove Electric & Lighting Supply. "We are committed to building on this momentum to deliver continued success throughout the year."

Steve Kelly, President of Raven Resources Corp., added, "The significant revenue growth we've experienced is a testament to our strategic initiatives and the hard work of our employees. We look forward to achieving even greater milestones in the coming months."

Jamie Moss, Secretary and Treasurer of Raven Resources Corp., stated, "Working closely with the team at Grove to implement new processes has been a rewarding experience. We anticipate these initiatives will continue to yield positive results as we move forward."
