

Healing With Precision: James R. Adametz, MD, at the Forefront of Spine Surgery

Transforming Lives Across Arkansas With Advanced Spine and Neurological Care

to spotlight James R. Adametz, MD, a dedicated and highly skilled neurosurgeon based in North Little Rock, Arkansas. With a mission to deliver high-quality, personalized care, Dr. Adametz is committed to helping patients regain active, pain-free lifestyles through his expertise in cranial, lumbar, cervical, and minimally invasive spine surgery.

A proud native of North Little Rock, Dr. Adametz began his academic journey at Hendrix College before achieving his Medical Degree from the University of Arkansas for Medical Sciences (UAMS) College of Medicine in 1982. Following this, he completed both his internship and residency in neurosurgery at UAMS, gaining invaluable experience that has shaped his career over the past two decades.

Dr. Adametz is well-versed in treating a wide range of neurological diseases and spinal conditions. His comprehensive approach encompasses various advanced procedures, including disc surgery, spinal fusion, kyphoplasty, vertebroplasty, minimally invasive techniques, and targeted injections. Since joining Neurological Surgery Associates in 1989, Dr. Adametz has established himself as a trusted provider of neurosurgical care, currently affiliated with Arkansas Surgical Hospital.

Board-certified by the American Board of Neurological Surgery, Dr. Adametz maintains active membership in prestigious organizations such as the American Association of Neurological Surgeons, the Congress of Neurological Surgeons, and the American Medical Society. His exceptional skills and contributions to the field have earned him recognition as one of “America’s Top Surgeons,” a distinction highlighted in the Guide to America’s Top Surgeons.

Outside of his professional commitments, Dr. Adametz enjoys a fulfilling family life with his wife and three children. He is passionate about outdoor activities, particularly fishing and golfing, which he considers essential for maintaining a balanced life.

For patients seeking expert care in neurosurgery and spine treatment, Dr. James R. Adametz and the team at Neurological Surgery Associates stand ready to provide compassionate, individualized care.
