

HM Aviation a renowned pilot training institute Celebrates 14 Years of Excellence

HM Aviation, is a premier aviation training institute and is proud to announce the completion of 14 successful years in providing top class pilot training programs.

New Delhi, Delhi Apr 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - HM Aviation is a premier aviation training institute and is proud to announce the completion of 14 successful years in providing top-class [pilot training](#) programs. Since its commencement, HM Aviation has trained more than 2000 commercial pilots who have gone on to fly for renowned airlines such as IndiGo Airlines, Air India, Air India Express, SpiceJet Airlines, Akasa Air, and many more.

The group's commitment to excellence in pilot training has earned it a reputation as one of the most trusted and respected aviation training institutes in the country. The institute's state-of-the-art infrastructure, highly experienced instructors, and comprehensive curriculum have enabled students to achieve their dreams of becoming commercial pilots.

We are proud of our achievement and grateful to our students, instructors, and partnered flight training schools and type rating training organisations who have supported us on this journey, said the manager

at HM Aviation. "Our focus on providing high-quality pilot training programs has enabled us to produce some of the best talent.

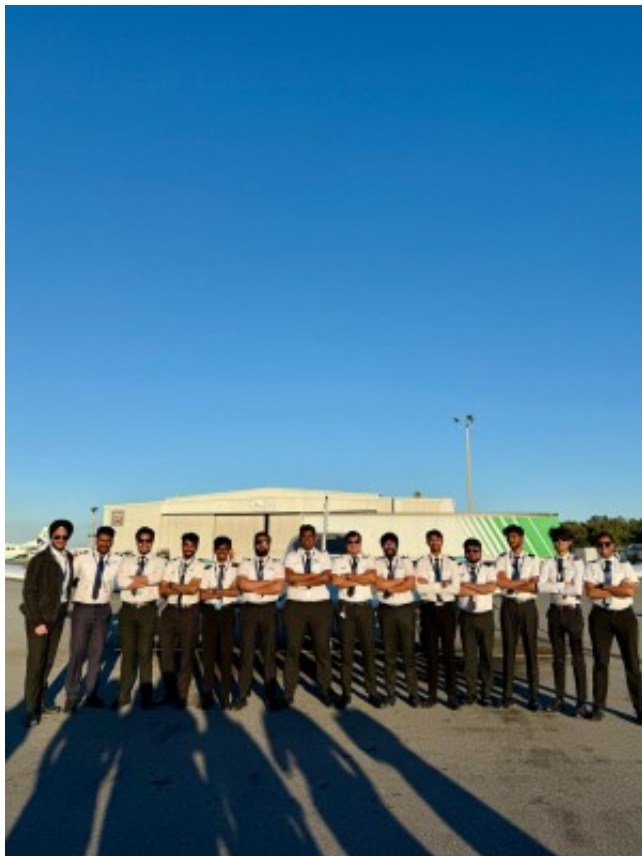

HM Aviation offers a range of pilot training programs, including the Commercial Pilot License, DGCA CPL Ground classes, and Type rating for aircraft such as A320, B737, ATR72-600. The programs that the institute offers are as per the guidelines of the Directorate General of Civil Aviation (DGCA) India.

As the aviation industry continues to grow, the demand for skilled pilots is on the rise. HM Aviation is dedicated to addressing the increasing demand for professional pilots.
