Jane Coleman: A Trusted Real Estate Professional in Mississippi and Louisiana

New York City, New York Apr 14, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Jane Coleman, a seasoned realtor affiliated with Picayune Realty, Incorporated in Picayune, Mississippi, and Leila Perez Realty in Slidell, Louisiana, is dedicated to providing exceptional real estate services across the Gulf Coast. With licenses in both states, Jane is committed to guiding her clients through the intricacies of the real estate process, from negotiations to contract execution, ensuring their best interests are always prioritized.

As a Pearl River County resident for over 12 years, Jane brings a wealth of local knowledge and a unique perspective to her real estate career, having transitioned from the Westbank of New Orleans and originally hailing from Boston, Massachusetts. After a rewarding 40-year nursing career, Jane graduated from the Real Estate Institute Technical School and embarked on her real estate journey in 2012. Her dedication to helping others quickly established her as a trusted professional in the community, known for building lasting relationships rather than merely selling homes.

Jane's extensive understanding of the local markets in both Mississippi and Louisiana, coupled with her healthcare background, enables her to approach each transaction with compassion and meticulous attention to detail. She caters to a diverse clientele, from first-time homebuyers to seasoned investors, always striving to make the buying or selling process as smooth and enjoyable as possible. Jane understands that real estate is not just a transaction; it's about forming enduring friendships along the way.

Her success in the industry is underscored by the skills she honed during her nursing career, including patience, resilience, and empathy. Additionally, Jane credits her achievements to the unwavering support of her husband and family, as well as the mentorship she receives from her broker. This foundation allows her to consistently prioritize her clients' needs with honesty, integrity, and an exceptional ability to identify opportunities in the ever-evolving real estate market.

Jane is also the author of *Insider Home Selling Tips*, a book that shares valuable insights with her clients and the broader real estate community. Outside of her professional endeavors, she enjoys traveling with her husband, quilting, reading, and spending cherished moments with her family, including her four adorable grandchildren.
