

Jeffery Jerome Grace, MD, DLFAPA: Renowned Psychiatrist & Addiction Expert Expands His Impact in Mental Health Care.

Enhancing Access to Essential Addiction and Mental Health Services in Buffalo, New York

New York City, New York Apr 15, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Jeffery Jerome Grace, a highly respected physician with nearly three decades of experience in psychiatry, is making significant strides in the field of mental health through his private practice, Jeffery Jerome Grace, MD, PC, located in Buffalo, New York. Noted for his expertise as an addiction specialist, Dr. Grace works diligently in both a clinical dependency clinic and an outpatient mental health clinic, providing essential support to individuals battling addiction and mental health challenges.

Dr. Grace's impressive educational background laid the foundation for his successful career. He began his academic journey with an Associate of Science Degree from Highland Park Community College, followed by a Bachelor's Degree in Zoology from the University of Michigan. In 1981, he earned his Doctor of Medicine Degree from Wayne State University School of Medicine. His commitment to excellence continued as he completed a residency in adult psychiatry at the University of California Davis Medical Center and a research fellowship in biological and psychopharmacology at the prestigious Albert Einstein College of Medicine, culminating in 1986.

Dr. Grace's career includes significant leadership experience, having previously served as the clinical director of the Buffalo Psychiatric Center, a prominent regional psychiatric hospital. His exceptional expertise and unwavering commitment to mental health care have earned him numerous accolades, including recognition as a Distinguished Life Fellow of the American Psychiatric Association (DLFAPA). He remains an active member of the American Society of Addiction Medicine and the American Board of Addiction Medicine, continuing to advance the field through his dedication to the well-being of his patients.

In addition to his clinical work, Dr. Grace is also a seasoned researcher who has contributed numerous articles to esteemed medical journals. He credits his success to the unwavering support of his family and colleagues, all of whom have played a vital role in his journey, providing encouragement and inspiration throughout his career.

Looking forward, Dr. Grace is committed to further advancing his work as a medical physician and general adult psychiatrist. He aims to expand his role as a medical director and deepen his focus on substance abuse treatment, ensuring that individuals in need receive the comprehensive care and support they deserve.
