

Jennifer Goetz Takes Charge as Ambulance Chief at Millstadt Ambulance Service

Experienced Emergency Room RN Leading High-Impact Teams and Advancing Emergency Care Standards

New York City, New York Apr 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Millstadt Ambulance Service is proud to announce the appointment of Jennifer Goetz as Ambulance Chief, a role she officially assumed in October 2024. With an impressive career spanning over 25 years as a Registered Nurse, Jennifer enhances the delivery of emergency medical services in the Millstadt community.

Jennifer began her nursing journey at Southwestern Illinois College, earning a Bachelor of Applied Science in Registered Nursing in 2008. Her pursuit of knowledge led her to Saint Louis University, where she completed a Bachelor of Science in Nursing in 2013. This strong academic foundation, combined with extensive clinical experience, positions her as a leader in emergency medical services.

In her role as Ambulance Chief, Jennifer leads a dedicated team of emergency medical professionals, ensuring that they provide exceptional care during critical situations. Her responsibilities include overseeing all aspects of the department's operations, from developing operational protocols to managing scheduling and budgetary resources. Jennifer is committed to ensuring prompt and efficient emergency medical responses, providing hands-on advanced care to stabilize and treat patients, and guiding her team of EMTs and paramedics through ongoing training and support.

Beyond operational management, Jennifer is dedicated to community engagement and education. She actively collaborates with local healthcare providers to ensure seamless transitions of care for patients and emphasizes the importance of emergency preparedness within the community. Her leadership in these areas fosters a culture of safety and awareness, empowering residents with the knowledge they need to respond effectively in emergencies.

As Jennifer Goetz embarks on this new chapter as Ambulance Chief, she aims to not only maintain the high standards of care already established at Millstadt Ambulance Service but also to innovate and implement new strategies for improvement. Her expertise in EMS operations management, advanced emergency care, leadership, and regulatory compliance will drive the organization forward, ensuring that Millstadt remains a model for emergency medical services.
