

Kelly Harris: Recognized by BestAgents.us as a 2025 Top Agent

Featured in Chesapeake Real Producers | Top 300 Agent | Sterling Society Member

New York City, New York Apr 16, 2025 ([Issuewire.com](https://www.Issuewire.com)) - When it comes to real estate results, Kelly Harris is a name you can trust.

As a top-producing Realtor with Coldwell Banker Realty, Kelly has carved out a reputation as a go-to expert in the Maryland residential market. She was recently featured in *Chesapeake Real Producers*

magazine, recognized among the region's Top 300 agents for her outstanding service, strong client relationships, and impressive results.

Kelly specializes in helping first-time homebuyers, military families, move-up buyers, downsizers, and clients navigating sensitive life transitions, such as divorce or inherited properties. She brings a compassionate, no-nonsense approach to each transaction, offering clients not just expertise, but partnership.

With a professional background in operations and human resources, Kelly brings a unique blend of structure, empathy, and strategic thinking to her business. Her attention to detail and ability to anticipate client needs mean every step of the home buying or selling process is handled with clarity and care. She also has a keen eye for construction and design, helping sellers prep their homes for maximum market appeal using her trusted network of vendors.

But what truly sets Kelly apart is her people-first mindset. She prioritizes long-term relationships over short-term gains and takes immense pride in creating smooth, seamless experiences tailored to each client's goals. Her clients describe her as energetic, knowledgeable, and relentlessly committed to their success.

Kelly's work spans Anne Arundel, Howard, Montgomery, Baltimore, and Prince George's counties—but her presence is felt far beyond local borders. She's become a resource for buyers and sellers relocating to Maryland, leveraging her marketing expertise and consultative approach to guide them with confidence.

In addition to being a member of Coldwell Banker's Sterling Society, Kelly was featured in *Chesapeake Real Producers* not just for her sales numbers, but for her story—one of resilience, reinvention, and unwavering dedication to her craft. Her journey into real estate was fueled by a desire to do things differently, offering clients the kind of honest, high-integrity guidance she felt was missing in the industry.

Outside of real estate, Kelly finds joy in simple things: playing guitar, boating, horseback riding, hiking, and spending time outdoors. These passions reflect the vibrant energy and grounded perspective she brings to her work and life.

Whether you're buying, selling, or investing, Kelly Harris is more than just a Realtor—she's your partner, advocate, and trusted advisor for every step of your real estate journey.
