

# Kreativ Lift Enters Indian Market, Bringing Cutting-Edge European Home Elevators to Indian Homes

**Gurgaon, Haryana Jan 12, 2026** ([IssueWire.com](https://www.issuewire.com)) - [Kreativ Lift](https://www.kreativlift.in), a leading provider of premium home elevator solutions from Indonesia, proudly announces its official launch in India. With a strong legacy of innovation and design excellence rooted in European technology, Kreativ Lift is set to redefine vertical mobility for Indian homeowners through its range of sleek, safe, and space-efficient elevators.

Kreativ Lift India introduces a curated selection of home elevators, crafted in collaboration with top Italian and Swedish engineering brands. The company brings to the Indian market a unique blend of modern design, quiet operation, and compact installation that caters specifically to urban residences, villas, and luxury apartments.

"We are thrilled to bring Kreativ Lift to India — a market that is rapidly evolving in its approach to home comfort and accessibility," said Nidhi Gupta, Managing Director of Kreativ Lift India. "Our products are not just elevators; they are lifestyle enhancements that merge elegance with functionality. India's growing demand for smarter and more stylish homes aligns perfectly with what Kreativ Lift offers."

The company's flagship offerings include customized home lifts from Italy, All installations are supported by trained engineers and a reliable service network across key Indian cities.

Kreativ Lift India is committed to customer-centric solutions, offering customization options, space-saving configurations, and unmatched post-installation support. With its entry into India, the brand aims to set new standards in home mobility, combining. Visit <https://www.kreativlift.in>
