With a robust education and extensive experience, Reeder exemplifies the ideal blend of compassion, expertise, and professionalism that has a profound impact on the lives of patients. As a Urological Nurse Navigator at Augusta Urology

Associates LLC, Reeder is dedicated to enhancing the quality of life for patients navigating complex urological conditions.

Kyle Reeder earned a Bachelor of Science in Human Movement Science with a focus on pre-physical therapy from Utah State University in 2017. Following that, Reeder furthered his education at Augusta University, where he obtained a Master of Science in Nursing. Currently, he is pursuing a Doctor of Nursing Practice with a specialization as a Family Nurse Practitioner, demonstrating a relentless commitment to professional growth and patient care.

As a Urological Nurse Navigator, Reeder plays a pivotal role in guiding patients through their healthcare journey. He provides invaluable support and education, ensuring that patients understand their conditions and treatment options. Reeder's approach is centered on effective communication, safety, and trust, which fosters strong relationships with patients and their families. This dedication to patient-centered care not only improves health outcomes but also empowers patients to take an active role in their treatment plans.

Kyle Reeder is a proud member of Sigma Theta Tau, the international honor society of nursing, which underscores his commitment to the highest standards of nursing practice. Reeder's expertise in urological nursing is complemented by their ability to connect with patients on a personal level, creating an atmosphere where patients feel heard, respected, and cared for.

In a field that can often be intimidating for patients, Kyle Reeder shines as a source of reassurance and expertise. His dedication to enhancing patient quality of life is evident in every interaction, making him an invaluable asset to the Evans community and the medical profession as a whole.
