

Malakos Healthcare Solutions and AdvancedMD Join Forces to Revolutionize U.S. Medical Billing with AI Innovation

AI in Healthcare Enterprise: A Guide to Building an AI Dataset

Cheyenne, Wyoming Apr 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - Malakos Healthcare Solutions, a rising leader in medical billing and revenue cycle management, today announced a strategic collaboration with **AdvancedMD**, one of the nation's top healthcare technology platforms. This partnership reinforces Malakos Healthcare Solutions' commitment to **transforming the medical billing landscape through artificial intelligence and smart revenue solutions**.

In a healthcare industry plagued by administrative inefficiencies, claim denials, and delayed reimbursements, Malakos Healthcare Solutions is delivering a new future — one where intelligent automation drives financial performance.

Through the power of AI, Malakos Healthcare Solutions is enabling:

- **Automated claims scrubbing** to catch errors before submission
- **Smart denial management** that learns and adapts to payer behavior
- **Predictive revenue reporting** to help practices forecast and optimize cash flow

By integrating with AdvancedMD's sophisticated practice management system, Malakos Healthcare Solutions provides healthcare organizations a fully connected, data-driven billing experience — improving revenue speed, reducing human error, and freeing up providers to focus more on patient

care.

"Our goal at Malakos Healthcare Solutions is to redefine the revenue cycle for modern healthcare providers. AdvancedMD's exceptional platform, combined with our AI-powered billing services, positions practices to achieve faster, smarter, and more sustainable financial outcomes," said Pranav Shinde, Founder and CEO of Malakos Healthcare Solutions.

As part of its commitment to healthcare innovation, Malakos Healthcare Solutions is offering a **complimentary billing audit** to practices seeking to modernize their revenue cycle processes.
