

Marianna A. Post, MD: Delivering Compassionate Nighttime Care Across Health First Hospitals

Board-Certified Family Physician and Nocturnist Enhancing Patient Outcomes Throughout Florida

New York City, New York Apr 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Health First is proud to announce that Marianna A. Post, MD, a board-certified family physician, is currently serving as a nocturnist within its network of hospitals across Florida. With licenses to practice medicine in both Florida and Michigan, Dr. Post brings a wealth of knowledge and experience to her role, ensuring high-quality care for patients

during nighttime hours.

Dr. Post is affiliated with several Health First facilities, including Health First Cape Canaveral Hospital, Health First Holmes Regional Medical Center, Health First Palm Bay Hospital, and Health First Viera Hospital. Her commitment to patient care and community service is evident through her work as a nocturnist, where she plays a critical role in providing continuity of care and support for patients during the night.

A graduate of Ross University School of Medicine in 2004, Dr. Post completed her residency in family medicine at Oakland Physicians Medical Center from 2004 to 2007. Her extensive training and dedication to the field are further highlighted by her diplomate status with the American Board of Family Medicine, which underscores her commitment to maintaining the highest standards in medical practice.

“I am honored to be part of the Health First team,” said Dr. Post. “As a nocturnist, I am dedicated to ensuring that our patients receive the best possible care at all hours. I believe in the importance of being a dependable resource for patients and their families when they need it most.”

Dr. Post’s dual-state licensing and extensive experience make her an invaluable asset to the Health First network. Her practice philosophy revolves around patient-centered care, where she prioritizes open communication and collaboration with patients to achieve optimal health outcomes.

With her deep commitment to the communities she serves, Dr. Post is poised to make a significant impact at Health First hospitals. Her expertise not only enhances the nocturnal care provided but also contributes to the overall mission of Health First—to provide exceptional healthcare to the residents of Florida.
