Author Martin Sumichrast teams up with Don Yaeger and Jason Cole to expose the untold truth behind a massive Ponzi scheme in North Carolina. Join the waitlist for early updates on *Getting Sheared*, an investigative financial crime book in progress.

Charlotte, North Carolina Apr 13, 2025 ([IssueWire.com](https://www.issuewire.com)) - Acclaimed author and entrepreneur [Martin Sumichrast](#), in collaboration with 12-time New York Times best-selling author Don Yaeger and award-winning investigative journalist **Jason Cole**, is proud to announce that work is underway on *Getting Sheared* — a powerful and revealing upcoming book that will uncover one of the largest and most devastating Ponzi schemes in North Carolina history.

Expected to be released in late 2025, [Getting Sheared](#) will blend deep investigative research with human stories of loss, betrayal, and resilience. This gripping narrative will shine a spotlight on the unchecked greed that fueled a criminal financial empire and the individuals — both complicit and courageous — who played a role in its rise and fall.

Martin Sumichrast Brings Hidden Financial Crimes to Light

“Too often, stories like this get buried under legal settlements and sealed records,” says **Martin Sumichrast**. “*Getting Sheared* is our effort to bring transparency, accountability, and real stories to the surface — and we’re just getting started.”

This book will offer:

- **Exclusive Access to Uncovered Evidence:** Documents and testimonies that have never been shared with the public.
- **The Human Cost of Financial Crimes:** Firsthand accounts from victims who trusted the wrong hands with their life savings.
- **An Inside Look at a Systemic Failure:** How oversight collapsed — and how it can be prevented from happening again.
- **A Blueprint for Reform:** Practical insights into how individuals and institutions can better safeguard against fraud.

The story traces the high-flying lifestyle of the scheme’s mastermind, featuring private jets, casino kickbacks, and a massive life insurance operation entangled with one of the world’s largest insurers — all built on a web of deception.

Don’t miss your chance to be part of a groundbreaking investigative release that will challenge everything you thought you knew about white-collar crime and financial oversight.
