

Mason Chapman Announces Candidacy for Governor of Arizona in 2030

Young Entrepreneur and Community Advocate Aims to Bring Fresh Leadership and New Energy to Arizona

Tempe, Arizona Apr 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Mason Chapman, a 23-year-old rising Gen Z entrepreneur, student at Grand Canyon University, and community advocate, has officially announced his candidacy for Governor of Arizona in the 2030 election.

With a strong vision for empowering local communities, reviving economic opportunity, and restoring trust in leadership, Chapman's campaign promises to prioritize the voices of everyday Arizonans. His platform emphasizes cutting government overreach, supporting small businesses, protecting individual freedoms, addressing homelessness, and putting the needs of Arizona families first.

"I am running for Governor because Arizona deserves a leader who not only listens but acts," Chapman stated. "I come from a generation that refuses to settle for broken promises. It is time for bold ideas, real solutions, and a government that works for the people, not the other way around."

Chapman's candidacy represents a growing movement of young leaders stepping forward to shape the future. He seeks to bridge political divides and unite Arizonans around common-sense solutions that benefit all.
