

Michelle Tran, DO: Committed to Excellence in Family Medicine Across South Carolina and Virginia

A Dedicated Osteopathic Physician Enhancing Patient Care Through Expertise and Compassion

New York City, New York Apr 24, 2025 ([IssueWire.com](https://www.issuewire.com)) - Michelle Tran, DO, a skilled osteopathic family physician, is making significant strides in patient care across South Carolina and Virginia. With her extensive training and dedication to the field of family medicine, she is poised to make a positive impact on the health and well-being of her patients.

Dr. Tran is currently affiliated with several esteemed medical institutions, including Aiken Regional Medical Centers, MUSC Health, Columbia Medical Center Downtown, and UVA Health Culpeper Medical Center. Her diverse clinical experience enables her to provide comprehensive care tailored to the unique needs of each patient.

After earning her Doctor of Osteopathic Medicine Degree from the West Virginia School of Osteopathic Medicine, Dr. Tran completed her residency in family medicine at McLeod Regional Medical Center. Her rigorous training and hands-on experience have equipped her with the skills necessary to diagnose and manage a wide range of health conditions effectively.

As a Diplomate of the American Osteopathic Board of Family Physicians, Dr. Tran holds board certifications in both Family Practice and Osteopathic Manipulative Medicine. This dual certification underscores her commitment to integrating traditional medical practices with osteopathic principles, emphasizing a holistic approach to patient care. She is also an active member of the American Osteopathic Association, continually seeking opportunities to enhance her knowledge and skills.

With a passion for advancing her medical knowledge and a genuine desire to make a difference in her community, Dr. Tran represents the future of family medicine. Her practice is a testament to the positive impact that dedicated healthcare professionals can have on the lives of individuals and families.
