

MyRMA Collaborates with Trinka AI to Offer AI Writing Assistance to 25+ Member Institutions Across Malaysia

MyRMA has partnered with Trinka AI to offer 25+ member institutions in Malaysia exclusive access to Trinka's academic writing tools at discounted rates, aiming to boost the quality and efficiency of research output.

Newark, New York Apr 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Malaysian Association of Research Managers and Administrators (MyRMA) announces a strategic partnership with [Trinka AI](#), a leading AI-powered writing assistant specializing in academic and technical writing. This collaboration aims to provide all the 25+ member institutions under MyRMA with exclusive access to Trinka AI's advanced tools at preferential rates to enhance the quality and efficiency of research outputs across Malaysia.

MyRMA, established to support and advance research management and administration in Malaysia, serves as a platform for knowledge sharing and best practices in various aspects of research management.

Trinka offers AI writing assistance and language enhancement tools tailored for academic and technical writing, assisting researchers in producing clear, concise, and professional documents to improve publication success.

Prof. Shukor bin Abdul Razak, President of MyRMA, stated, "Our collaboration with Trinka AI underscores our commitment to providing our members with access to cutting-edge AI tools that enhance research quality. This partnership will undoubtedly support our mission to elevate research standards across Malaysia."

Echoing this sentiment, Mr. Tony O'Rourke, Vice President of Partnership at Trink AI, commented, "We are excited to partner with MyRMA to empower Malaysian research managers and administrators with cutting-edge AI writing tools to help them throughout their publication journey. By offering our AI-driven writing assistance, we aim to facilitate excellence in research communication and contribute to the global impact of Malaysian research."

This collaboration reflects a shared dedication to advancing research quality and efficiency, providing MyRMA members with valuable resources to enhance their work.

Trinka AI continues to collaborate with numerous associations and universities worldwide, striving to advance the quality of academic and technical writing across the globe.
