Vadodara, Gujarat Apr 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - New Century Filaments Pvt Ltd, Manufacturer & exporter of pet accessories, yarns, threads & More

Introduction to New Century Filaments Pvt. Ltd.

New Century Filaments Pvt. Ltd., founded in 2012, is a renowned manufacturer and exporter of a wide range of high-quality textile products. Based in Vadodara, Gujarat, India, the company has evolved from a small yarn processing factory into a globally recognized leader in the textile and packaging industry. With an ever-growing portfolio of products, including yarns, threads, twines, narrow woven fabrics, pet accessories, and packaging bags, New Century Filaments Pvt. Ltd. offers superior solutions to meet the diverse needs of various industries.

Our success can be attributed to our commitment to delivering excellence in every product we offer, supported by innovative manufacturing processes, a robust supply chain, and dedicated customer service. As we continue to grow, we remain focused on expanding our production capacity and meeting the demands of global markets.

Our Product Range

At New Century Filaments Pvt. Ltd., we pride ourselves on offering an extensive range of products that cater to industries such as textiles, packaging, agriculture, pet care, and construction. All our products are crafted with precision and manufactured using the finest materials to ensure durability, quality, and reliability.

- **Twines – Strong, Durable, and Versatile**

Twines play a critical role in industries ranging from agriculture to crafting. At New Century Filaments Pvt. Ltd., we offer high-quality cotton twines that are designed to be strong, eco-friendly, and versatile, making them suitable for various applications such as binding, bundling, and packaging.

- **Cotton Twine** – Ideal for binding, agriculture, and crafting, our Cotton Twine is made from 100% natural cotton, providing excellent durability and flexibility.

- **Yarns – Vibrant, Durable, and High-Performance**

Our range of yarns is ideal for multiple applications across industries, especially textiles and garment manufacturing. Whether you're looking for dyed cotton yarn for delicate projects or polypropylene yarn for industrial applications, we provide products that meet the highest standards of quality.

- **Dyed Cotton Yarn** – Perfect for weaving, knitting, and fabric applications, Dyed Cotton Yarn offers vibrant colors and softness for a wide range of textile uses.
- **Dyed Polyester Yarn** – Known for its strength, durability, and colorfastness, Dyed Polyester Yarn is ideal for textiles requiring wear and fade resistance.
- **Polypropylene (PP) Yarn** – Lightweight, water-resistant, and durable, Polypropylene (PP)

Yarn is suitable for industrial and general-purpose applications, offering long-lasting performance.

- **Threads – Precision, Strength, and Durability**

Threads are crucial in manufacturing industries like bag closing, mattress making, and tea bag production. We offer specialized threads designed to provide strength and reliability for various applications, ensuring durability and precise stitching.

- **Bag Closing Threads** – Designed to securely close bags, Bag Closing Threads offer strength and reliability, essential for packaging and agriculture.
- **Tea Bag Thread** – Fine yet strong, Tea Bag Thread provides the flexibility and durability needed for tea bag production.
- **Mattress Thread** – Perfect for mattress manufacturing, Mattress Thread ensures durability and provides a sturdy, long-lasting finish.

- **Narrow Woven Fabrics – Strength, Durability, and Versatility**

Our narrow woven fabrics are made for strength and versatility, meeting the needs of industries such as textiles, military, sports, and safety. Whether you need webbing for bags, straps, or upholstery, we provide high-quality solutions to fit your specific needs.

- **Cotton Webbing** – Soft yet durable, Cotton Webbing is perfect for bags, straps, and upholstery, offering comfort and reliability.
- **PP Webbing** – Polypropylene Webbing is lightweight, water-resistant, and ideal for luggage, automotive applications, and outdoor use.
- **Polyester Webbing** – Known for its strength, Polyester Webbing is used in military, sports, and safety equipment, offering durability and UV resistance.
- **Nylon Webbing** – Strong, abrasion-resistant, and durable, Nylon Webbing is ideal for heavy-duty applications such as belts and safety straps.

- **Ropes and Cordages – Strength and Flexibility for Every Need**

Our range of ropes and cordages includes various materials such as polypropylene, nylon, and polyester to meet the demands of different applications. From marine use to general utility, our ropes are built to perform in the toughest environments.

- **Polypropylene Multifilament 3 Strand Rope** – Versatile, lightweight, and durable, Polypropylene Multifilament 3 Strand Rope is perfect for packaging, marine, and agricultural.
- **Polyester 3 Strand Rope** – UV-resistant, ideal for boating and construction applications.
- **Nylon 3 Strand Rope** – Known for its elasticity and strength, Nylon 3 Strand Rope is used for heavy-duty industrial applications.
- **Polypropylene Danline 3 Strand Rope** – Designed for the marine and fishing industries, this rope offers excellent resistance to abrasion and chemicals.
- **Polypropylene Monofilament 3 Strand** – Lightweight and flexible, Polypropylene Monofilament 3 Strand Rope is perfect for general use in packaging and marine applications.
- **Nylon Double Braided Rope** – Double braided construction provides enhanced strength, ideal for heavy-duty and marine applications.
- **Polyester Solid Braided Rope** – Strong and flexible, Polyester Solid Braided Rope is used for securing heavy items.

- **Polypropylene Diamond Braided Rope** – Offers excellent flexibility and strength for general use in marine and agricultural.
- **Polypropylene Solid Braided Rope** – Perfect for horse halters, dog leashes, barriers, path marking, and boating.
- **Pet Accessories – Comfort, Safety, and Style**

New Century Filaments Pvt. Ltd. offers a range of high-quality pet accessories designed for comfort, safety, and style. Our dog collars, dog leashes, and dog harnesses are made from durable, safe materials that ensure your pets' comfort while keeping them secure during walks or training.

- **Dog Collar** – Adjustable and durable, ensuring your pet's safety and comfort.
- **Dog Leash** – Strong, flexible, and designed for daily walks, ensuring safety and control.
- **Dog Rope Leash** – Ideal for training and outdoor adventures, offering strength and durability.
- **Dog Harness** – Comfortable, adjustable, and designed to provide better control for your dog.
- **Packaging Bags – Eco-Friendly Solutions for Bulk Storage**

Our FIBC bags (Flexible Intermediate Bulk Containers) offer an efficient, eco-friendly solution for the safe storage and transportation of bulk materials. New Century Filaments Pvt. Ltd. manufactures high-strength, reusable, and eco-friendly packaging bags for industries such as agriculture, chemicals, and construction.

- **FIBC Bags** – High-strength, reusable, and eco-friendly, ideal for packaging agricultural products, chemicals, and other bulk materials.
