

O'Neill Fernandes Releases 52nd Album 'Back To You' After Getting Overwhelming Requests from Fans

It is not the end but a new beginning of O'Neill Fernandes' musical journey as the Pop music artist from Perth has come up with a 52nd album, offering 20 new covers.

Perth, Western Australia Apr 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - It seems like versatile music artist **O'Neill Fernandes** is not retiring from music now, as the fans do not want him to stop making more music. This talented person has recently dropped his 52nd album on this musical journey, which is titled 'Back To You'. This album project is an example of how much O'Neill loves his fans and his craft. While releasing the last album 'Last Dance' on 17th Jan 2025, the artist said that it is going to be his last album project. However, he could not stop there as his family, friends, and fans wanted more from him. With everyone's support and appreciation, he is now back with a new album project that offers a total of 20 tracks.

All the cover tracks added to '**Back To You**' are curated from different musical eras from 1974 to 2025. The album offers a combination of retro hits as well as modern pop bangers. This [Pop music artist from Perth](#) is best known for his instrumental covers, which sometimes even sound better than the original. In this latest album, O'Neill has offered '[Apt Rose](#)', which is the cover of the latest collaboration project 'APT' between Rosé and Bruno Mars. Similarly, listeners can also find the cover for Ed Sheeran's multi-platinum hit 'Perfect', which O'Neill offered through a new instrumental version.

O'Neill Fernandes is a music artist with relentless passion and creativity in his craft O'Neill has successfully touched the hearts of his fans, and they are seeking more musical releases from him. The end of the musical journey is not now, and the music artist is willing to release more captivating music

projects in the coming days. Follow him on [SoundCloud](#) and [YouTube](#) to have a taste of his diversified discography of instrumental covers. For more information, follow this dynamic artist on [Facebook](#) and [LinkedIn](#).
