

Raven Resources Corp. Decides Not to Invest in Aspen Water

Dallas, Texas Apr 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - Raven Resources Corp. has completed its review of Aspen Water, a provider of portable water purification systems, and has decided not to proceed with an investment at this time.

Aspen Water has been a leader in clean water solutions for humanitarian, military, and emergency relief efforts. Raven Resources was impressed by the company's commitment to sustainability and global impact but determined that the investment did not align with its immediate strategic objectives.

"Aspen Water is making a tremendous impact in providing clean water solutions worldwide," said Paul Scribner, CEO of Raven Resources Corp. "We respect their mission and leadership and look forward to seeing their continued success."
