

Raven Resources Corp. Explores V360 Group Investment but Does Not Proceed

Dallas, Texas Apr 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - Raven Resources Corp. has reviewed a potential investment in V360 Group, a company specializing in virtual reality (VR) and augmented reality (AR) training solutions, and has opted not to move forward with the transaction.

V360 Group has developed cutting-edge immersive training solutions for industries such as energy, maritime, and manufacturing, helping companies improve safety and operational efficiency. While Raven saw value in the company's technology, it determined that the opportunity did not align with its immediate investment focus.

"V360 Group is driving innovation in workforce training and safety," said Paul Scribner, CEO of Raven Resources Corp. "We have great respect for their work and look forward to seeing their continued advancements in the industry."
