

## ReBeL Town to Release New Single "Gop 2.0"

The new version of their hit song "Gop" will feature fresh melodies, female vocals, and deeper emotional storytelling.

**Kollam, Kerala Apr 29, 2025 ([Issuewire.com](https://www.issuewire.com))** - ReBeL Town, the rising EDM music group from India, proudly announces the release of their new single, "Gop 2.0". Following the success of their original hit "Gop," the band is now bringing an exciting, fresh version featuring new melodies and the addition of female vocals to present the girls' perspective in the story.

"Gop 2.0" captures deeper emotions and introduces a dynamic twist, allowing listeners to experience both sides of the heartfelt love story. The group blends expressive storytelling with energetic EDM beats to create an unforgettable listening experience.

"We wanted to build on the original 'Gop' and share a complete story," says ReBeL Town. "Adding the girl's voice gives the song a whole new life and emotional depth."

Formed in 2020, ReBeL Town has been making waves with their passionate performances and creative music style. Known for pushing the boundaries of EDM storytelling, the band continues to expand their global fanbase with every release.
